
AMERICAN HOMES 4 RENT

HUMAN RIGHTS STATEMENT

A Message from Our CEO

At American Homes 4 Rent, we have always been committed to the protection and advancement of human rights, while recognizing the value that different perspectives and cultures bring to an organization. In fact, one of our Company's core competencies is *Valuing Differences* – something that is fundamental to our decision-making process and the way we operate as a business. At AH4R, we have strived to create a working environment that reflects the communities we serve where everyone feels heard, valued, empowered – and safe – to offer their unique personal perspectives.

We are committed to equal opportunity in employment with a focus on employing, training and compensating individuals based on merit, job-related qualifications and abilities. As a leadership team, we believe it is important to reiterate that racial inequality and injustice have no place in either society or the workplace. Our commitment to diversity and inclusion begins at the top. We value open participation from individuals with different ideas and perspectives that has a positive impact on our business.

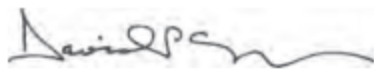

We recognize that our team members have differing backgrounds, characteristics, experiences, beliefs, capabilities and styles, and we have always drawn strength from these differences. We believe that promoting diversity and inclusion leads to superior customer experiences for our residents, attractive returns for our shareholders, as well as a more engaging employee experience that makes everyone feel right at home at AH4R. We ask our team members to respect all people of any race, religion, spirituality, age, class, culture, disability, ethnicity, gender, gender identity / gender expression, sexual orientation, national origin, immigration or veteran status.

At AH4R, we contribute to the well-being of the communities in which we operate through direct investments to rehabilitate, improve and develop our homes and residential communities. We also encourage our employees to volunteer for charitable activities in the communities we serve.

We are dedicated to creating safe and healthy workplaces for our employees and safe and healthy homes for our residents, while maintaining a strict policy prohibiting harassment. We strive to encourage employee physical and emotional wellness, believing that healthy employees are effective employees. And we seek to provide market competitive compensation and benefits to recruit, develop and retain talented employees.

Encouraging and upholding these human rights principles are not just words on paper; they are part of our core values and the center of who we are as an organization.

Through open communication, respect and teamwork, we can ensure that AH4R continues to build on our foundational value of respect for all people. We will continue to foster an environment in which every employee is contributing fully to our mission to be the market leader in single-family rental homes.
